SecureBack™ Security Case for New iPad®

K67750AM

Product Description

Protect your new iPad with the Kensington SecureBack™ Security Case. The built-in ClickSafe® anchor point not only adds important security (ClickSafe lock sold separately), it even amplifies the iPad speaker for greater volume. The case wraps your new iPad in a protective layer that guards against bumps and scratches while maintaining the slim iPad design. And the detachable Smart Cover (sold separately) has two built-in viewing angles.

Features

- Case protects back and sides from bumps and scratches
- Secures in one-click with ClickSafe Lock
- Use with your existing Apple Smart Cover for screen protection and typing and viewing angles
- ClickSafe Lock anchors on same side as 30-pin connector for improved cable management
- Built-in sound deflector increases volume from iPad speakers
- Maintains slim design while adding security and protection
- ClickSafe Lock and Apple Smart Cover sold separately
- Patent-pending locking system
